

Temple Shalom Religious School – COVID-19 Policies

The Temple Shalom Religious School will adhere to the following policies and procedures for preventing the spread of COVID-19, based on best practices established by the Waterloo Region District School Board and Public Health department.

Mask Wearing

All students, parents, and teachers are strongly encouraged to wear a mask while indoors; however, this is not mandatory.

Hand Sanitizing

Students and teachers will be provided with hand sanitizer when entering the building.

Pre-Screening Form

Students and teachers must complete a pre-screening form before each class. If any answers indicate risk of COVID-19, then the person must stay home.

Cleaning Procedures

The classroom space will be cleaned weekly, as part of the regularly-scheduled Cedars cleaning schedule. Additionally, all high-touch surfaces (e.g., desks, chairs, counters) will be disinfected before and after each class.
